

Hiding Place Ministry

For you are my hiding place.... Ps.32:7

December 6, 2005

Dear Pastor Cory Pariseau,

This letter is to give Hiding Place Ministry and its board of directors blessing upon your new outreach "Parenting Pathways Incorporation". Helping parents with the knowledge and support they need to reunite their families once again. What a blessing to see ministries like yours taking on the task of developing a program and sharing it with other parents that have found themselves with no place to go for help.

Again, we pray a special blessing upon you and the staff of Parenting Pathways, and each and every life you touch with the love of our Father God and His Son Jesus Christ. We also pray that the Holy Spirit would lead and guide you in this great endeavor.

Blessing upon you and this ministry,

Rev. Cecil W. Thorn
